

# My Competition Twirling Record

1. Each time you win a “first place,” write the date for that event.
2. Fill in the columns from left to right, no matter what level (Nov, Beg, or Int) the 1<sup>st</sup> place was won in.
3. You can be at a different level in different events (for example, Beg. Basic and Int. Presentation).
4. After you have won one first, you cannot enter Novice. After you have won 5 firsts, you cannot enter Beginning again.
